

## *A special welcome to our guests:*

We are glad that the spirit has led you here! If you need assistance, an usher will be happy to help you. Unity loves children and welcomes them in service. There is room for parent and child to spread out into various areas of the church. Many parents of younger children choose to sit near the rear of the church, for easier access to the Narthex (lobby) areas. We also have a comfy corner for feeding, changing or if a child needs a place to rest. There is a restroom located right by

We are blessed by what God has given us in this place, and what he will continue to bless us with in the coming years. Please join us on March 10th, to discuss our long ranged goals in detail. There are copies found in the office if you are interested in reviewing them before the meeting. We need the churches insight and perspective as we think about the next steps for the church. We have specific goals we've addressed regarding these topics:

- Faith is way of life
- Outreach is relationship building
- Diversity is sought and celebrated
- Worship is life shaping

2. According to Jesus, what is the result for those who "knock" on God's door?
3. As Christians, it is important that we have a strong foundation that guides us to Gods purpose. What is your foundation build on?
4. As you continue this week, how will you ask, seek and knock for God's guidance?
