

## *A special welcome to our guests:*

We are glad that the spirit has led you here! If you need assistance, an usher will be happy to help you. Unity loves children and welcomes them in service. There is room for parent and child to spread out into various areas of the church. Many parents of younger children choose to sit near the rear of the church, for easier access to the Narthex (lobby) areas. We also have a comfy corner for feeding, changing or if a child needs a place to rest. There is a restroom located right by
